MEMORANDUM FOR: Director of Logistics

SUBJECT : Retirement Plan [REDACTED]

1. The attached memorandum dated 29 November 1966 from the Executive Secretary, Agency Retirement Board, indicates that [REDACTED] annuity would be slightly less if he retired this month than the amount he would receive if he retired at his eligibility date in April 1967. It also indicates a significant increase in annuity if [REDACTED] retires in December 1967.

2. Since [REDACTED] has indicated a definite date for retirement following a relatively short extension, and since you have stated that you can effectively utilize his services until [REDACTED] planned retirement date in December 1967, I believe it is reasonable to grant his request. Deferment of his retirement until December 1967 is therefore approved.
